CONTEXT

1. The *Public Interest Disclosure Act 2010* (PID Act) protects a person who makes a Public Interest Disclosure (PID), formerly known as a whistleblower.
2. The PID Act requires the Chief Executive to establish procedures to deal with PIDs and requires QPAC to comply with standards made by the Ombudsman.
3. The Ombudsman has made 3 *Public Interest Disclosure Standards* (PID Standards) which prescribe the way in which QPAC must deal with PIDs:
 - (a) *Public Interest Disclosure Standard No. 1 / 2019* prescribes the organisational systems and procedures QPAC must establish in order to give effect to the requirement under section 28(1)(d) of the PID Act to ensure there is a management program for PIDs.
 - (b) *Public Interest Disclosure Standard No. 2 / 2019* prescribes the organisational systems and procedures QPAC must establish in order to give effect to the requirement under section 28(1)(a), (b), (d) and (e) of the PID Act to ensure that Board members and Employees are given appropriate support; PIDs made to QPAC are properly assessed and, where appropriate, investigated and dealt with; appropriate action is taken in relation to any Wrongdoing that is the subject of a PID made to QPAC; and Board members and Employees are offered protection from Reprisals by QPAC or other Board members or Employees.
 - (c) *Public Interest Disclosure Standard No. 3 / 2019* prescribes the organisational systems and procedures QPAC must establish in order to give effect to the requirement under section 29 of the PID Act to keep proper records of PIDs and under section 33 to give information to the Office of the Queensland Ombudsman (OQO).
4. The *Crime and Corruption Act 2001* (CC Act) establishes the Crime and Corruption Commission (CCC), which receives and investigates allegations of Corrupt Conduct.
5. The CCC may itself investigate complaints of Corrupt Conduct relevant to QPAC, or may refer complaints to QPAC for investigation, or may investigate complaints jointly with QPAC. The CC Act requires the Chief Executive, if he reasonably suspects that any complaint, information or matter involves or may involve Corrupt Conduct, to refer that complaint to the CCC.
6. Neither this PID Procedure nor any part of its contents forms part of any person's contract of employment or engagement or creates, or forms part of, any contract between any other party to whom this Procedure applies and QPAC.
7. QPAC may, in its absolute discretion, amend this PID Procedure at any time.

PURPOSE

8. This PID Procedure seeks to:
 - (a) promote the public interest by facilitating PIDs;
 - (b) ensure that PIDs are properly assessed and, where appropriate, properly investigated and dealt with;
 - (c) ensure appropriate consideration is given to the interests of Subjects; and
 - (d) ensure protection from Reprisal is afforded to Disclosers.

APPLICATION

9. This Policy applies to all Board members and Employees, in relation to PIDs.

10. For the purpose of this PID Procedure, any complaint of Corrupt Conduct received by QPAC is dealt with as a PID. However, a person who is not a Board member or Employee who complains of Corrupt Conduct is not entitled to the protections afforded to Disclosers under the PID Act.

POLICY

Policy Statement

11. QPAC is committed to fostering an ethical and transparent culture.
12. QPAC values the disclosure of information about suspected Wrongdoing in the public sector so that it can be properly assessed and, if necessary, appropriately investigated.
13. Employees who are prepared to speak up about public sector misconduct, wastage of public funds, suspected unlawful activity or danger to health, safety or the environment can be the most important sources of information to identify and address problems in public sector administration.
14. QPAC supports the disclosure of information about Wrongdoing because:
 - (a) implementing systems for reporting and dealing with Wrongdoing contributes to the integrity of QPAC;
 - (b) the outcomes of PIDs can include improvements to systems that prevent fraud and other economic loss to QPAC; and
 - (c) the community's trust in public administration is strengthened by having strong processes in place for reporting Wrongdoing.
15. QPAC provides support to:
 - (a) Employees making PIDs and, where appropriate, other Disclosers; and
 - (b) Employees who are Subjects.
16. QPAC ensures as far as possible that Employees and other Disclosers receive the protections provided under the PID Act:
 - (a) confidentiality – the Discloser's name and other identifying information are protected; and
 - (b) protection against Reprisal – the Discloser is protected from unfair treatment by QPAC and Employees as a result of making the PID.
17. QPAC acknowledges the further protections provided to Employees and other Disclosers under the PID Act:
 - (a) immunity from liability – the Discloser cannot be prosecuted for disclosing the information but is not exempt from action if they have engaged in Wrongdoing; and
 - (b) protection from defamation – the Discloser has a defence against an accusation of defamation by any Subject.

PID Program

18. QPAC establishes, maintains and implements a *Public Interest Disclosure Management Program* (PID Program), approved by the Chief Executive, which encompasses:
 - (a) commitment to encouraging the internal reporting of Wrongdoing;
 - (b) senior management endorsement of the value to QPAC of PIDs and the proper management of PIDs;

- (c) a communication strategy to raise awareness among employees about PIDs and this PID Procedure;
- (d) a training strategy to give employees access to training about:
 - (i) how to make a PID;
 - (ii) support available to a Discloser; and
 - (iii) how PIDs are managed;
- (e) specialist training and awareness about PIDs for senior management and other Employees who may receive or manage PIDs, Disclosers or workplace issues relating to PIDs;
- (f) the nomination of specialist Employees to be responsible for issues related to the management of PIDs;
- (g) ensuring effective systems and procedures are in place so that issues and outcomes from PIDs inform improvements to service delivery, business processes and internal controls; and
- (h) regular review and evaluation of the effectiveness of this PID Procedure and the PID Program.

PROCEDURE – FOR DISCLOSERS

WHAT IS A PUBLIC INTEREST DISCLOSURE?

Public Interest Disclosure

19. A PID is a disclosure made in accordance with the PID Act. It includes all information and help given by the Discloser to the Proper Authority for the disclosure.
20. Any person may make a disclosure about:
 - (a) a Substantial and Specific danger to the health or safety of a person with a Disability;
 - (b) the commission of a particular offence or contravention of a particular condition (specified in Schedule 2 of the PID Act), if the offence or contravention would be a Substantial and Specific danger to the environment; or
 - (c) the conduct of another person that could, if proved, be a Reprisal.
21. In addition, a Public Officer may make a disclosure about the following public interest matters:
 - (a) Corrupt Conduct;
 - (b) Maladministration that adversely affects a person's interests in a Substantial and Specific way;
 - (c) a Substantial misuse of public resources;
 - (d) a Substantial and Specific danger to public health or safety; or
 - (e) a Substantial and Specific danger to the environment.
22. In either case:
 - (a) the Discloser must honestly believe on reasonable grounds that the information tends to show the conduct or other matter; or
 - (b) the information must tend to show the conduct or other matter, regardless of whether the Discloser honestly believes the information tends to show the conduct or other matter.

23. A disclosure may be a PID covered by the PID Act even if:
- (a) the Discloser reports the information as part of their duties – for example, an auditor reporting a fraud or a work health and safety officer reporting a safety breach;
 - (b) the Discloser makes the disclosure under a legal requirement;
 - (c) the disclosure is made anonymously – the discloser is not required to give their name or any identifying information;
 - (d) the discloser has not identified the material as a PID – it is up to QPAC to assess information received and decide if it is a PID;
 - (e) the disclosure is unsubstantiated following investigation – the discloser is protected when the information they provide is assessed as a PID, whether or not it is subsequently investigated or found to be substantiated;
 - (f) the Discloser is unable to identify a particular person to whom the information disclosed relates.
24. A PID may be about:
- (a) events that happened or may have happened (whether before or after the commencement of the PID Act);
 - (b) events that are or may be happening; or
 - (c) events that will or may happen.
25. Mere disagreements over policy do not meet the threshold for a PID under the PID Act.
26. If there is any uncertainty as to whether a disclosure is a PID, further information may be obtained to inform the decision. If uncertainty still remains, the disclosure will be considered and managed as a PID.

Corrupt Conduct

27. Corrupt Conduct is:
- (a) conduct of a person that:
 - (i) adversely affects, or could adversely affect, directly or indirectly, the performance of functions or the exercise of powers of:
 - a Unit of Public Administration; or
 - a Person Holding an Appointment;
- and
- (ii) results, or could result, directly or indirectly, in the performance of functions or the exercise of powers by the Unit of Public Administration or Person Holding an Appointment in a way that:
 - is not honest or is not impartial; or
 - involves a breach of the trust placed in a Person Holding an Appointment, either knowingly or recklessly; or
 - involves a misuse of information or material acquired in or in connection with the performance of functions or the exercise of powers of a Person Holding an Appointment;
- and
- (iii) would, if proved, be:
 - a criminal offence; or
 - a disciplinary breach providing reasonable grounds for terminating the person's services;

OR

(b) conduct of a person that:

(i) impairs, or could impair, public confidence in public administration;

and

(ii) involves, or could involve, any of the following:

- collusive tendering;
- fraud relating to an application for a licence, permit or other authority under an Act with a purpose or object of protecting health or safety of persons, or protecting the environment, or protecting or managing the use of the State's natural, cultural, mining or energy resources;
- dishonestly obtaining, or helping someone to dishonestly obtain, a benefit from the payment or application of public funds or the disposition of State assets;
- evading a State tax, levy or duty or otherwise fraudulently causing a loss of State revenue;
- fraudulently obtaining or retaining an appointment;

and

(iii) would, if proved, be:

- a criminal offence; or
- a disciplinary breach providing reasonable grounds for terminating the person's services.

28. If there is any uncertainty as to whether a disclosure involves or may involve Corrupt Conduct, further information may be obtained to inform the decision. If uncertainty still remains, the disclosure will be considered and managed as one that involves or may involve Corrupt Conduct.
29. Technically, a complaint which involves, or may involve, Corrupt Conduct of a Board member or Employee which is made by a person other than a Public Officer is not a public interest disclosure under the PID Act.
30. However, QPAC deals with all disclosures which involve, or may involve, Corrupt Conduct of a Board member or Employee as PIDs, except that:
- (a) requirements to report to the OQO do not apply;
 - (b) requirements regarding appointment of a PID Support Officer are not mandatory; and
 - (c) requirements regarding protection against Reprisals are not mandatory.
31. Complaints which involve, or may involve, Corrupt Conduct of the Chief Executive are specifically addressed in QPAC's *Complaints against the Chief Executive Policy*.

Maladministration

32. Maladministration is Administrative Action that:

- (a) was taken contrary to law;
- (b) was unreasonable, unjust, oppressive or improperly discriminatory;
- (c) was in accordance with a rule of law or a provision of an Act or a practice that is or may be unreasonable, unjust, oppressive, or improperly discriminatory in the particular circumstances;
- (d) was taken:
 - (i) for an improper purpose;
 - (ii) on irrelevant grounds; or

- (iii) having regard to irrelevant considerations;
- (e) was an action for which reasons should have been given, but were not given;
- (f) was based wholly or partly on a mistake of law or fact; or
- (g) was wrong.

33. Administrative Action is any action about a matter of administration, including, for example:

- (a) a decision and an act;
- (b) a failure to make a decision or do an act, including a failure to provide a written statement of reasons for a decision;
- (c) the formulation of a proposal or intention;
- (d) the making of a recommendation, including a recommendation made to a Minister; and
- (e) an action taken because of a recommendation made to a Minister.

TO WHOM MAY A PID BE MADE?

34. A PID must be made to the Proper Authority to receive disclosures of the type being made.

Proper Authority

35. A Proper Authority is:

- (a) a Public Sector Entity if:
 - (i) the information that is the subject of the disclosure relates to:
 - the conduct of that Public Sector Entity or any of its Public Officers;
 - anything the Public Sector Entity has a power to investigate or remedy; or
 - the conduct of another person that could, if proved, be a Reprisal that relates to a previous disclosure made by the person to a Proper Authority; or
 - (ii) the person honestly believes that the information that is the subject of the disclosure relates to a matter mentioned in paragraph (i); or
- (b) a Member of the Parliament of Queensland.

QPAC

36. Disclosers are encouraged to make a disclosure to QPAC first.

37. If the matter is not resolved, or the Discloser is concerned about confidentiality, the disclosure may be made to another appropriate agency.

38. Within QPAC, Disclosers are encouraged to make a disclosure to a PID Coordinator – see paragraph 151 for details on the various ways to make a PID.

39. However, Disclosers may also make a disclosure to:

- (a) for Employees: A Manager;
- (b) the Chief Executive;
- (c) any Board member.

Other Agencies

40. Other appropriate agencies may include:

- (a) the Minister for the Arts;
- (b) any other Member of the Parliament of Queensland;
- (c) the CCC for disclosures about Corrupt Conduct including Reprisals;
- (d) the Ombudsman for disclosures about Maladministration;
- (e) the Queensland Audit Office for disclosures about a Substantial misuse of resources;
- (f) the Department of Child Safety, Youth and Women for disclosures about danger to the health and safety of a child or young person with a Disability;
- (g) the Department of Communities, Disability Services and Seniors for disclosures about danger to the health and safety of a person with a Disability;
- (h) the Office of the Public Guardian for disclosures about danger to the health and safety of a person with a Disability;
- (i) the Department of Environment and Science disclosures about danger to the environment.

Journalists

41. A PID may also be made to a Journalist only if the following conditions are met:

- (a) a valid PID was initially made to a Proper Authority;
- (b) the Proper Authority:
 - (i) decided not to investigate or deal with the disclosure;
 - (ii) investigated the disclosure but did not recommend taking any action; or
 - (iii) failed to notify the Discloser within 6 months of making the disclosure whether or not the disclosure was to be investigated or otherwise dealt with; and
- (c) the disclosure is of substantially the same information that was the subject of the PID mentioned in paragraph (a).

42. A person who makes a disclosure to a Journalist in these circumstances is protected under the PID Act. However, Disclosers should be aware that Journalists are not bound under the confidentiality provisions of the PID Act.

HOW TO MAKE A PID

43. A Discloser may make a PID in any way, including in writing, over the telephone or in person.

44. In making a PID, the Discloser should say in their own words what has happened and provide as much relevant information or documentation as possible to enable the matter to be dealt with expediently.

45. To assist in the assessment, and any subsequent investigation of a PID, Disclosers are encouraged, where possible, to provide the following information, in writing:

- (a) who was involved;
- (b) what happened;
- (c) when it happened;
- (d) where it happened;
- (e) who said what to whom;

- (f) whether anyone saw what happened (and include the names and contact details of any witnesses);
- (g) any evidence that supports the PID (and, if that evidence is not included with the disclosure, details of where the evidence is located);
- (h) any further information that could help investigate the PID; and
- (i) whether the Discloser has reported the matter to any other person or entity.

46. If documents are included with a disclosure, it is useful for the Discloser to explain their relevance to the PID.

47. To assist in the assessment and any subsequent investigation of a PID and follow up action, Disclosers are encouraged to provide their name and contact details.

Anonymous Complaints

48. Despite paragraph 47, a PID may be made anonymously.

49. For Employees and Board members only, QPAC's external Whistle Blower Program, the details of which can be found on QPAC's intranet and in induction materials. This service provides the Discloser with the ability to have ongoing communications in relation to a PID whilst remaining anonymous.

50. A Discloser who does not use QPAC's external Whistle Blower Program to raise a PID and who does not wish to provide their name may provide an alias and contact point instead (this could be an email address that is created for the purpose of making the disclosure or a telephone number).

False or Misleading Information

51. Refer to paragraphs 143 to 145 regarding the provision of false or misleading information in relation to PIDs or to the CCC.

LEGAL PROTECTIONS FOR DISCLOSERS

52. This section is intended only as a broad overview for general information purposes only. QPAC is unable to provide legal advice to disclosers. A discloser wishing to obtain specific information about their legal rights under the PID Act should obtain independent legal advice.

53. A Discloser who makes a valid PID is entitled to various protections under the PID Act.

54. The PID Act does not protect a person who makes a disclosure to a person or entity other than a Proper Authority. For example, disclosure to a Journalist prior to making a PID to a Proper Authority would mean that the person would not receive the protections.

Liability

55. A Discloser is not liable, civilly, criminally or under an administrative process (including disciplinary action), for making a PID.

56. The Discloser is also protected from actions for breach of confidentiality and defamation.

57. However, a person's liability for their own conduct is not affected only because the person discloses that conduct as a PID.

Reprisals

58. The PID Act protects a Discloser from Reprisals.

59. A person takes a Reprisal if they cause, or attempt or conspire or induce another person to cause, Detriment to another person because, or in the belief that:
- (a) the other person or someone else has made, or intends to make, a PID; or
 - (b) the other person or someone else is, has been, or intend to be, involved in a proceeding under the PID Act against any person.
60. It is sufficient if the unlawful ground is a substantial ground for the act or omission that is the Reprisal, even if there is another ground for the act or omission.
61. Detriment includes (without limitation):
- (a) personal injury or prejudice to safety;
 - (b) property damage or loss;
 - (c) intimidation or harassment;
 - (d) adverse discrimination, disadvantage or adverse treatment about career, profession, employment, trade or business;
 - (e) financial loss; or
 - (f) damage to reputation, including, for example, professional or business reputation.
62. A Discloser who suffers detriment from a Reprisal may:
- (a) sue for damages or apply for an injunction;
 - (b) make a complaint under the *Anti-Discrimination Act 1991* (Qld);
 - (c) if the Discloser is a Public Officer appealing against, or applying for review of, unfair treatment, disciplinary action or reappointment or transfer – apply to have the action set aside because it was the taking of a Reprisal.
63. Refer to paragraphs 129 and 130 regarding the consequences for a person who takes a Reprisal.

Reasonable Management Action

64. Nothing in the PID Act is intended to prevent a Manager from taking Reasonable Management Action in relation to an employee who has made a PID. However, a Manager may take Reasonable Management Action in relation to an employee who has made a PID only if the Manager's reasons for taking the action do not include the fact that the employee has made the PID.
65. Reasonable Management Action, taken by a Manager in relation to an Employee, includes any of the following:
- (a) a reasonable appraisal of the employee's work performance;
 - (b) a reasonable requirement that the employee undertake counselling;
 - (c) a reasonable suspension of the employee from the employment workplace;
 - (d) a reasonable disciplinary action;
 - (e) a reasonable action to transfer or deploy the employee;
 - (f) a reasonable action to end the employee's employment by way of redundancy or retrenchment;
 - (g) a reasonable action in relation to an action mentioned in paragraphs (a) to (f); or
 - (h) a reasonable action in relation to the employee's failure to obtain a promotion, reclassification, transfer or benefit, or to retain a benefit, in relation to the employee's employment.

66. For these purposes, Manager of an employee means a person to whom the employee reports or a person who directly or indirectly supervises the employee in the performance of the employee's functions as an employee.

PROCEDURE – FOR RECEIVERS

RECEIVING A DISCLOSURE

Employees

67. Where a PID is made to an Employee other than the Chief Executive or a PID Coordinator, the Employee must forthwith and without commencing any inquiry into the matter, refer the PID – IN CONFIDENCE – to a PID Coordinator.
68. If a PID discloses a risk to the health or safety of any person, the person in receipt of the complaint must also immediately take all necessary and appropriate steps to protect the health and safety of the person at risk while preserving the confidentiality of the PID to the maximum extent possible in the circumstances.

Complaints against the Chief Executive

69. Complaints against the Chief Executive must be dealt with under the *Complaints against the Chief Executive Policy*.

Complaints against Board Members

70. The PID Coordinator must, before taking any further action, immediately refer any PID in relation to which a Board Member is a Subject to the Chief Executive.
71. The Chief Executive must refer the matter to (in order of preference providing they do not have a conflict of interest in the matter) the Chair, the Deputy Chair, the RMAC Chair or the Minister for the Arts.
72. The Chief Executive, with the assistance of the PID Coordinator if required, must assist the person to whom he has referred to the complaint under paragraph 71 to investigate the complaint, if and as required by that person.
73. If the Chief Executive reasonably suspects that the PID involves or may involve Corrupt Conduct, the Chief Executive must refer the complaint to the CCC.
74. The Subject (Board Member) is not advised of the referral to the Minister or any referral to the CCC so as not to jeopardise the conduct of any investigation or risk the destruction of any evidence.
75. For the purposes of an investigation pursuant to paragraphs 69 to 72 of this PID Procedure only, the Chair, Deputy Chair or RMAC Chair to whom a complaint is referred has authority to:
- (a) approach Employees directly;
 - (b) engage external resources to assist in the investigation and handling of the complaint or to direct the PID Coordinator to do so; and
 - (c) approve any related expenditure.

DEALING WITH A DISCLOSURE

Appointment of PID Coordinator

76. The PID Coordinator who receives the disclosure must liaise with Chief Executive to determine which PID Coordinator is appointed to deal with the disclosure.

77. The Chief Executive may appoint both PID Coordinators to deal with the matter jointly.

Assessment of disclosure

78. The PID Coordinator assesses the disclosure to determine whether it is a PID that meets the requirements of the PID Act (as set out in paragraphs 19 to 42).

79. If there is any uncertainty as to whether a disclosure is a PID, the PID Coordinator may obtain further information to inform the decision. If uncertainty still remains, the disclosure will be considered and managed as a PID.

80. Each separate allegation is dealt with as a separate PID, unless the matters are clearly linked and it would be reasonable to view them as a single disclosure.

81. QPAC cannot decline to receive and/or assess a PID as a public interest disclosure if it meets the requirements of the PID Act.

Advice to Discloser

82. If a discloser states that they are making a PID, but it is assessed that the matter is not a PID, the PID Coordinator advises the Discloser in accordance with paragraphs 95 to 100.

83. If the disclosure is assessed as a PID, the PID Coordinator advises the Discloser in writing:

- (a) that the information has been received by QPAC and assessed as a PID;
- (b) a description of the action proposed to be taken, or taken, by QPAC in relation to the PID;
- (c) the likely timeframes for dealing with the PID;
- (d) how the Discloser will be advised of progress and outcomes;
- (e) the protections under the PID Act that apply to the Discloser;
- (f) the Discloser's obligation of confidentiality (see paragraphs 136 to 139)
- (g) QPAC's obligation of confidentiality (see paragraphs 136 to 139);
- (h) the name and contact details of the PID Support Officer (if one is appointed for the Discloser – see paragraphs 121 to 123); and
- (i) if the Discloser is an Employee, contact details for QPAC's Employee Assistance Program.

84. The PID Coordinator does not provide information to the Discloser if:

- (a) the Discloser has not given their name and address;
- (b) the Discloser has indicated that they do not wish to be kept informed; or
- (c) disclosure of the information would be likely to adversely affect:
 - (i) anybody's safety;
 - (ii) the investigation of an offence or possible offence; or
 - (iii) necessary confidentiality about an informant's existence or identity.

No further action

85. The PID Coordinator may decide not to investigate or deal with a PID if:

- (a) the PID does not raise a reasonable suspicion of Wrongdoing;
- (b) the substance of the PID has already been investigated or dealt with by another appropriate process;

- (c) the PID Coordinator reasonably considers that the PID should be dealt with by another appropriate process;
- (d) the age of the information the subject of the PID makes it impracticable to investigate;
- (e) the PID Coordinator reasonably considers that the PID is too trivial to warrant investigation and that dealing with the PID would substantially and unreasonably divert QPAC's resources; or
- (f) another Queensland Government agency with jurisdiction to investigate the PID has notified QPAC that investigation of the PID is not warranted.

86. If the PID Coordinator decides not to investigate or deal with the PID, the PID Coordinator advises the Discloser in accordance with paragraph 115.

Referral of PID

87. The PID Coordinator decides whether the PID should be dealt with by QPAC or whether it is more appropriate to refer it to another Queensland Government agency which has the power to investigate or remedy the matter that is the subject of the PID.
88. It may also be necessary to refer the PID to another agency because of a legislative obligation. (For example, referral of Corrupt Conduct to the CCC – see paragraphs 95 to 100).
89. The PID Coordinator may refer the PID to another Queensland Government agency if the PID is about:
- (a) the conduct of another Queensland Government agency or an officer or employee of that entity; or
 - (b) the conduct of a Queensland Government agency (including QPAC), or another matter, that another Queensland Government agency has the power to investigate or remedy.
90. Before referring a PID to another Queensland Government agency, the PID Coordinator conducts a risk assessment and does not proceed with the referral if there is an unacceptable risk of Reprisal.
91. The confidentiality obligations of the PID Act permit appropriate QPAC officers to communicate with another agency about the referral of a PID. QPAC officers exercise discretion in their contacts with any other agency.
92. When a PID Coordinator or other person receiving a PID is unsure as to how a complaint should be referred or handled, that person may contact the OQO or the CCC to seek advice and guidance on the matter.
93. The PID Coordinator informs the Discloser in writing of the referral of the PID to the other agency.
94. The Subject is not advised of the referral so as not to jeopardise the conduct of any investigation or risk the destruction of any evidence.

Referral of Corrupt Conduct

95. Where the PID Coordinator reasonably suspects that a PID involves, or may involve, Corrupt Conduct, the PID Coordinator refers the matter to the CCC.
96. The PID Coordinator does not take any further action until advised by the CCC.
97. The CCC assesses the complaint and forms a preliminary view as to whether Corrupt Conduct is or may be involved.

98. If the CCC forms the view that Corrupt Conduct is involved, it decides whether to:
- (a) investigate the matter itself;
 - (b) refer the matter back to QPAC for investigation and report;
 - (c) refer the matter to another Queensland Government agency (for example, the Queensland Police Service) for investigation and report; or
 - (d) jointly investigate the matter with QPAC or another Queensland Government agency.
99. If the CCC forms the view that Corrupt Conduct is not involved, it refers the matter back to QPAC to deal with.
100. If the CCC refers the matter back to QPAC, QPAC deals with the PID in accordance with this PID Procedure, subject to any directions made by the CCC.

Receipt of Referral

101. If QPAC receives a referral of a PID from another agency or a Member of the Queensland Parliament, QPAC deals with the matter in accordance with this PID Procedure.

Investigation

102. If a PID is investigated by QPAC, a PID Coordinator:
- (a) investigates the matter and prepares a report of the investigation and its outcomes; or
 - (b) appoints an external investigator to do so and assists that external investigator as required.
103. Where possible and appropriate, the investigation should include interviews with the Discloser and all other witnesses.
104. The investigation is conducted with consideration of:
- (a) the principles of Natural Justice;
 - (b) the rights of the Subject/s (see paragraphs 131 to 135);
 - (c) QPAC's obligation to protect Confidential Information (see paragraphs 136 to 139); and
 - (d) QPAC's obligation to protect Disclosers from Reprisal (see paragraphs 125 to 127).

Decision

105. The investigation report is provided to the Chief Executive, who reviews the report and determines:
